OMNISCIENT'S PODIUM

RULEBOOK

Showcase your understanding skills here

Research and discovery are celebration of science. It involves diving into the very roots of our subject in an attempt to understand and find solutions. Presenting research in front of other eminent panellists will provide the candidate with a better exposure as the panellists will be able to direct the project towards a brighter direction. Participants need to present their research work and submit a detailed report

Rules:
1) Maximum presentation time for Undergraduate(UG)-15min (10min +5 min for questions)
2) Maximum presentation time for Postgraduate(PG)-15min (10min +5 min for questions)
3) a) Abstract(by 11 april)
   b) Presentation(17th April)
4) 10 participants will be finalized to present their work before the panel. Elimination will be based on abstract
5) The abstract should be in pdf format, withstanding the word limit of 450 words.
6) Participation certificate will be provided to participants
